DESIGNS
PORTFOLIO

My name is *Edison Tararamiswa Munashe Zvavamwe*. I'm a Marketing Specialist with vast knowledge in Digital marketing, Graphics designing and Cinematography with an Honours Degree in Media and Society Studies. I have created this portfolio in order to showcase my design skills and knowledge. I also have marketing and public relations skills.

My alias is *Tararamiswa* and the following designs are a result of my creativity. I believe in Reality being Inspired By Imagination which then comes to the creation of vivid images that communicate to the intended audience.

I am willing to work with a team and help one another to rise.

I have the right skills to produce from formal to informal digital designs such as:

- Business Cards
- Flyers
- Stickers
- Logos
- Banners
- Magazines
- Posters
- videos
- etc.

A black and white informational poster from the Municipality of Redcliff about COVID Delta variant symptoms. It features a yellow and black striped border. The title "COVID DELTA VARIANT New Symptoms To Look Out For" is prominently displayed. Below the title, there are eight icons with corresponding labels: Diarrhoea, Blocked/Runny Nose, Aching Muscles, Long-lasting Headache, Vomiting, Sore Throat, and Tired & Unwell. At the bottom, the text "IF IN DOUBT TAKE A TEST" is written in large, bold, yellow letters. The website "WEBSITE: www.redcliffmunicipality.co.zw" and "Facebook: Municipality of Redcliff" are listed at the very bottom.

A green and yellow promotional poster for the Rural Electrification Fund (REF). The title "Rural Electrification Fund" is at the top. It features a solar panel, a lightbulb with a smiling face, and the REF logo (a stylized sun with the letters "REF"). The tagline "Do not live in darkness. Be your own BOSS" is followed by "Generate own energy for domestic and industrial use." Contact information for Eng.
